## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

"Sailing the 'C's' to Success" has been our school-wide theme this year at Joseph S. Shanklin Sr. Elementary School. Our school has focused and celebrated the Seven C's: Cooperation, Creativity, Commitment, Character, Community, Compassion and Courtesy. All students continue to work hard to master state standards at each grade level. We measure students and their success by their performance on the MAP test. This test is administered multiple times in all grade levels (K-5th) and students have specific goals to meet. We celebrated the successes that all students had in school-wide assemblies. Teachers continue to use the results of these tests to drive instruction and to individualize instruction to meet the needs of their students.

Our staff continues to work towards making improvements on each of our school-wide goals: raising test scores; teachers participating in professional development to become better teachers; increasing parent involvement; increasing the use of technology; and reducing student discipline referral incidents. Teachers participated in professional development in all content areas. These conferences ranged from the Summer Institute provided by the school district to State Department of Education workshops to local staff development held at the school. Promethean Interactive whiteboards were installed in nearly every classroom during this year and we had the services of a full-time Instructional Technology Coach to help teachers integrate technology into daily lessons. We combined our Kid's Club, Sand dollar Club and PTO meetings into one large quarterly event. Each of these Family Night events had a theme (Literacy, Health and Math) and was well attended by students and parents. We have also started a Parent Honor Roll to recognize those parents that are partnering with the school to help increase student success. A school wide discipline system will be in place for the next school year. PBIS will help establish school wide procedures and increase student accountability for behaviors.

We celebrated many successes and achievements this school year. Our students and staff were involved in the community through the following programs: Pennies for Patients, United Way, March of Dimes, CAPA Angel Walk and Adopt-A-Highway. Our school garden and outdoor learning center was completed by community volunteers. We had 2 additional teachers complete their National Board Certification (Mrs. White and Mrs. Krob) and they join Mrs. Allen with that distinction. We provided over 50 additional days of instruction for struggling students through our Key Club and Extended Learning Time. Our PTO and SIC continue to help us develop our community partnerships in order to help meet the needs of our students. The following groups have continued to partner with JSES: Chick-fil-A, Pizza Inn, Food Lion, Haven Learning, Ident-A-Kids, MCAS Federal Credit Union, CAPA, LowCountry Institute, Boy Scouts and Girl Scouts of America, and the Link Church of Beaufort. School-Wide activities to involve students and families included: quarterly Family Night, quarterly Award's Dinners and celebrations, Fun Day, Compass Odyssey Lab, PTO fundraisers, student art exhibits, Artists in Residence, Chorus and Strings performances and curriculum based field trips.

Bob Grant, Principal  
Cheryl Ganshow, SIC Chairperson
